

Yes, I want to shine through and raise my hand in support of Uplift Education’s free, college preparatory education for the students who need it most.

Consider how your gift can help our students...

For every student we serve, Uplift Education receives 40% less in state funding than a traditional public school would receive. This translates to about \$2,500 per student that we raise through our own efforts.

Your donation helps us with much needed resources such as:

- Road to College trips to visit university campuses nationwide.
- Facilities such as science labs, gyms and media labs.
- Extracurricular activities such as Model UN, Key Club and sports.
- Expanding our schools and recruiting the highest caliber teachers.
