Highlights

- Received an Exemplary rating from the TEA for its first year of operation.
- Posted higher TAKS passing rates than neighboring schools on every tested area and higher Commended rates on 18 out of 19 TAKS tested subjects.
- Middle school core classes are taught in Team Teaching fashion.
- Partnership with the University of Texas Southwestern Medical Center – providing access to its campus, laboratories, and cutting-edge research with concurrent representation on local school board.
- Selected and financially supported as a Science, Technology, Engineering, and Math (STEM) school.
