SUMMIT INTERNATIONAL
PREPARATORY
PRIMARY CAMPUS

Dear Parents and Students,

Welcome back and a special welcome to our new families!
We are honored to have you join us.

I am so excited to be starting my second year as your director. As I walk around our beautiful campus I am reminded of how grateful (and humbled) I am to be a part of Summit International Preparatory. The year is off to a great start. Classes are up and running and “teaching and learning” is actively taking place in all classrooms. New and exciting things are happening at Summit. This year the Primary School has its own Computer Lab, complete with twenty-eight computers. We have also added a Reading Lab and a Reading Specialist (Mrs. Olive White) to assist students as needed with reading support and/or Reading Enrichment. Also, in case you hadn’t notice we completely flipped our campus the front is now the back and the back is now the front. Our new address is: *1305 North Center Street, Arlington, TX 76011 however our phone number remained the same 817-287-5121.*

As always I want to be available to assist as needed. If you would like to speak with me please contact my secretary Patty Cordoba at pcordoba@uplifteducation.org to schedule an appointment.

I look forward to see you around campus as you are dropping off and pick up your students as well completing your volunteer hours.

This Month’s IB Learner Profile is: **Inquirers**

Inquirers

-Their natural curiosity has been nurtured. They have acquired the skills necessary to conduct purposeful, constructive research. They actively enjoy learning and this love of learning will be sustained throughout their lives.

Millions saw the apple fall, but
Newton asked why.

Lunch Time at Summit International Preparatory

Parents, we all know that lunch time is a great time for children to get the valuable nutrients needed to help them learn throughout the day as well as energize their bodies to keep them moving. Lunch time is also a great time for our scholars to work on their social skills that are still developing. In order for Summit International Preparatory to be good healthy role models for our scholars not only are we providing the scholars with a balanced healthy hot meal, but we are asking for parents to help us by not sending sugary foods such as candy, or carbonated soft drinks. Instead of sending potato chips, candy and soda consider sending apple chips, carrot sticks, and a juice box. By working together we can help grow strong healthy scholars!

We encourage parents who have the time to come and have lunch on occasion with your scholar. If you are interested in having lunch with your scholar, please call the front office and schedule an appointment.

Spirit Day is the last Friday of the month!

STARTING AT ONLY \$10.00!!

Spirit Day is a day we show our school pride by wearing our SIP Spirit Shirts.

Order your 2011-2012 Spirit Shirt today!

Scholars can wear any SIP spirit shirt (i.e. Field Day shirt, Lego Robotics Science Fair) Shirts from any school year may be worn.

Early Dismissal Courtesy

Do you need to pick up your scholar early from school today? As a courtesy we ask parents to please call the front office before noon in order to have your child ready when you arrive. Please make sure you have your drivers' license available to verify your child's release.

Due to the lack of manpower, we may not always be able to have your child ready for you and may need you to get a visitor's badge and walk to your child's classroom to pick up your child.

Please give a warm welcome to our

Spread the word: spots still available at Uplift’s newest schools!

Are you proud to be a part of the Uplift family? Help us spread the word about Uplift Education and 100% college acceptance by recruiting your friends to enroll their students at our newest schools. We still have spots available for students to enroll at the schools listed below. The spots will be filled on a first come, first serve basis, and families who enroll in our new schools by September 30 will receive a \$100 uniform credit. They can apply online with each school or call 469-621-8572 or email admissions@uplifteducation.org for more information or to receive a paper application.

Primary Dress Code

School uniforms are an important part of maintaining a learning environment free from distractions. Students who come to school inappropriately dressed will not be permitted to attend any classes until they are in proper uniform. The Summit International Preparatory administrative team is responsible for interpreting, implementing, and enforcing the dress code policy. The Campus Director has the final decision in determining when attire is not acceptable.

*Education is one of the chief obstacles to intelligence and freedom of thought.
-Bertrand A. Russell*

Please be mindful of the following dress code reminders:

- For safety reasons Primary Scholars are not allowed to wear jewelry except for stud earrings (GIRLS ONLY) and watches (GIRLS OR BOYS)
- Sunglasses are permitted on the playground only
- Hair accessories must match uniform colors
- Shoes must be all black
- No umbrellas
- All shirts must have the official Summit logo

For the best value in school uniforms purchase your scholar’s uniform from our official school vendor Kid to Kid kidtokid.com · (817) 468.1995

Summit Preparatory Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child’s school meal account at any time. This service also

provides parents the ability to view your child’s account balance through a web site called MyNutrikids.com. By having money in each child’s account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends.
