6th Grade Technology

Email address: mmcwhorter@uplifteducation.org

Office Hours: A Day (3-4) and B Day (3-4)

Grade Weight Scale:

Uplift Standards

Homework:

This class will not have homework however, any work not finished during class will need to be finished by the student either during intervention or at home by midnight of the day it was assigned. The entire class content can be accessed online using Schoology with your scholars school login information.

Corrections:

Scholars have the opportunity to make corrections to any assignment for which they would like to receive a higher grade. Scholars must make corrections under teacher supervision during intervention hours. Scholars who successfully correct their work will receive half of their points back. For example, if a scholar receives a 50% on an assignment, they will earn 25 points back by doing corrections, and their new grade will be a 75%. Scholars must request retake in writing.

III. Supplies

All Scholars will bring the following supplies to class on a daily basis:

- pencil**
- composition notebook**

***** MAKE-UP WORK POLICY *****

Scholars are able to make up work if they are absent from my class. I will provide make up work upon the scholar's request. Make up work **MUST** be turned in within a week upon returning to school. Therefore no exceptions can be made.

Supply List:

1. Pencils and Pens
2. Composition Notebook

- I have read and understood these guidelines for Mr. McWhorters class.
- I understand returning this lower part is one of my first assignments in my technology class for the first semester.
