## ABOUT OUR NETWORK

Uplift's mission is to create and sustain public schools of excellence that empower scholars to reach their highest potential in college and the global marketplace. We strive to inspire a life-long love of learning, achievement, and service, in order to positively change our world.

Established in 1996, we are currently the largest public charter school network in North Texas. Our campuses are open-enrollment and we provide a free, college-preparatory education to every scholar we serve.

Our goal is for 70% of our graduates to earn a college degree within 6 years of high school graduation. We aggressively pursue this goal by working to completely CLOSE the opportunity gap for our scholars, regardless of their ethnic or socio-economic background, ensuring that 100% of our scholars graduate and have the opportunity to pursue their best fit post-secondary pathway.

Currently, 73% of Uplift graduates are enrolled in college or have already obtained a bachelor's degree.

## IB® IN ACTION

Currently, 100% of our eligible primary, middle and high schools are authorized to offer the International Baccalaureate® program, making us one of the top five IB districts in the nation.

As IB continuum schools, our high schools are authorized to offer both the Middle Years Programme (MYP) for grades 6-10 and the Diploma Programme (DP) for grades 11-12. Uplift is a *DP For ALL* network and is committed to making sure that all scholars, regardless of their background or educational need, have access to participate in the Diploma Programme.

Beginning with the Class of 2020, all scholars will have the opportunity to pursue the full Diploma Programme. Our scholars will also be required to participate in the DP Core by taking a Theory of Knowledge course, completing a Creativity, Activity and Service (CAS) project, and writing the Extended Essay.
