NEW Student Walkers and Student Driving Permit Applications info

We have designed new protocols for a safe and social distanced dismissal. Please ensure that if your student is Walking home and or from home, you sign and submit the Student Walker agreement. Parents and students will be accountable to follow the agreement 100%. Not following the agreement will end in removal of Walker approval, and you will need to find a car ride for your student. Students may re-apply for a walker agreement after a period of 4 weeks. After 3 Walker Agreement Failures, students will lose this option for the rest of the school year.

If your student is driving, please submit a complete Parking Permit Application.

Both, Parking permit and Student Walker Agreement should be submitted to Lina Alarcon, Operations Director at lalarcon@uplifteducation.org
