Senior Privileges

Every year, each new class of seniors earns privileges that only seniors get to enjoy. The class of 2020 has submitted their requests and a contract has been written for agreement terms. The contract will be distributed to seniors on 9/3 and will be in effect on 9/16. Take a look at what scholars have requested: Senior Contract

GREAT THINGS HAPPENING AT PEAK

This year is off to a fabulous start! Scholars are getting settled in to the school schedule, trying out for sports teams, and joining clubs and organizations. My favorite day of the week is Gryphon Wednesdays, which occurs every Wednesday from 8-9. This is an embedded time for scholars to build healthy relationships with others and involve themselves in non-academic interests. It also gives our scholars a chance to let go of some of the school stresses and enjoy themselves. Our attendance during this time is almost perfect and scholars are engaged with meaningful projects that impact the community and the campus. We provide a broad list of clubs: Chess Club, National Honor Society, Cheerleading, Soccer, Young Gentlemen's Club, Film Production, Sunshine Committee, RAW, Super Smash Club, Clash Royale, Creative Writing and Music, Glee Club, Movie Club, Recycling Club, Garden Club, Art Club, German Club, Yearbook, Speech and Debate, Senior Committee, and Student Council. Ask your scholar his/her favorite part of school - I bet Gryphon Wednesdays are at the top of the list!

DRESS CODE

Thank you for ensuring your scholar is in dress code every day! All scholars are looking professional and distinguished in their uniforms and solid colored jackets. A scholar by the name of Diane proposed an option for scholars to wear quarter-zip jackets as well. I challenged Diane to obtain a petition with signatures of more than half of the student body and more than half of the staff. This scholar exceeded that goal! We are amending the outerwear requirements to add the option of wearing quarter-zip jackets that still follow the solid one color requirements and minimal branding. This addition will begin September 3. Great job Diane!
