college and beyond

Uplift Hampton Preparatory is a tuition-free, public charter school managed by Uplift Education charter school network. Uplift Hampton offers a college-preparatory education with a global perspective to scholars in the southern Dallas area. In addition to a rigorous core curriculum, Uplift Hampton offers an enriching Science, Technology, Engineering and Math (STEM) program through a combination of Project Lead the Way (PLTW) and state-approved Career and Technology Education (CTE) courses.

**The Uplift Hampton Difference**

At Uplift Hampton, we are focused on:

- Preparing for college with a global curriculum
- College counseling for 6th-12th grade, including the application and financial aid process
- College visitation trips, both local and out-of-state
- AP & Dual Credit courses
- Science and Engineering Program
- 21st century career readiness
- Hands-on projects
- Aerospace mechanical and electrical engineering focus
- A chance to play soccer, track, volleyball, basketball and flag football with pass to play program

## The IB® Program

International Baccalaureate (IB) is the rigorous instructional framework that helps our scholars succeed in college and beyond. Thanks to the IB framework, Uplift scholars become well-rounded, globally-minded adults.

IB is more than educational programs and certificates. At its heart, IB® is motivated by a mission to create a better world through education. It promotes intercultural understanding and respect as an essential part of life in the 21st century.

We believe Uplift scholars will need to possess these qualities in addition to the rigorous academic framework IB provides to be successful.

### IB® learners strive to be:

- **INQUIRERS:** Develop natural curiosity.
- **KNOWLEDGEABLE:** Explore concepts, ideas and issues that have local and global significance.
- **THINKERS:** Exercise initiative in applying thinking skills critically and creatively.
- **COMMUNICATORS:** Understand and express ideas and information confidently.
- **PRINCIPLED:** Act with integrity and honesty.
- **OPEN-MINDED:** Understand and appreciate their own cultures and personal histories.
- **CARING:** Show empathy, compassion and respect.
- **RISK-TAKERS:** Approach unfamiliar situations with courage and thoughtfulness.
- **BALANCED:** Understand the importance of intellectual, physical and emotional balance.
- **REFLECTIVE:** Give thoughtful consideration to their own learning and experience.

### How does it work?

Schools interested in becoming IB World Schools must successfully complete the authorization process. During this process, IB supports the candidate school in building the programmatic understanding and organizational structures it needs to implement IB's internationally-minded programs.

All Uplift, schools are either authorized as IB World Schools, in the candidacy phase (which takes at least one full year and involves many steps), in the consideration phase, or the preparation stage. IB patterned programs and practices are already in use at every campus.

**Currently, Uplift Hampton Middle School and Uplift Hampton High School are authorized to offer the IB Middle Years Programme for Grades 6-10. Uplift Hampton Primary School is an IB Primary Years Programme candidate school, working towards full authorization.**
