## HIGHLIGHTS

### *Primary School Highlights*

- ◇ 5th grade STAAR reading data shows growth as compared to last year.
- ◇ The kindergarten MAP reading and math average exceeded the spring math and reading national norm.
- ◇ Kindergarten through second grade scholars piloted ST Math. Collectively, they grew at least 17 points in MAP math over the course of the year.

### *Middle School Highlights*

- ◇ 8th graders had the highest STAAR Reading growth in the network.

### *High School Highlights*

- ◇ #62 most challenging high school in America according to the Washington Post
- ◇ Over 75% of juniors met or exceeded their ACT Winter growth goals
- ◇ Teacher leadership is growing beyond the campus to have a network impact with 5 teachers serving as CTL's in 2015-2016.
