

**Year opened:** 2010–11 (*expanded to secondary campus in 2012*)

**Grades served:** K–12

**Number of scholars for 2015–16:** 1084

**LEADERSHIP TEAM**

Managing Directors – Karen Aikman (PS), Remy Washington (MS/HS)

PS Director – Chloe LaFrance

MS Director – Kristina Nitahara

HS Director – Candice Dagnino

PS Operations Director – Nathan Jacobs

MS/HS Operations Director – Brittany Torres

## HIGHLIGHTS

### Primary School Highlights

- ◇ Offered the first round of Project PASS (Parents and Scholars Succeeding) where 5th grade parents come to the school to take the STAAR test with their child and compete/learn about the requirements of the STAAR test. It is a fun and collaborative way for the parents to get involved. This year we had 13 parents take the Math STAAR test and 11/13 passed! We had awards at the end of year ceremony for the parents that participated. Scholars were really engaged and motivated to compete with their parents.
- ◇ In 2014-2015 Uplift Luna began offering Elementary Spanish to our scholars
- ◇ Our 3rd grade reading STAAR scores were really great

### Middle School Highlights

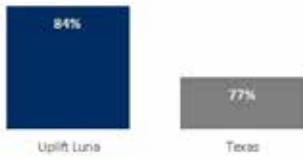

- ◇ 16% more scholars passed their Reading STAAR than this cohort of scholars did last year
- ◇ 6 teachers rank in the Uplift top 4 for CA 3 performance – 6th grade Humanities, 6th grade Math, 6th grade Reading, 6th grade Science, 7th grade Reading, and 7th grade Science.

### High School Highlights

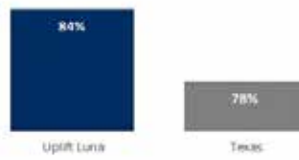

- ◇ EPAs score growth- scholars exhibited the greatest growth from their fall diagnostic to the winter benchmarks, and our scholars are on track to meeting college readiness benchmarks on their ACT.
- ◇ Higher than average daily attendance compared to network
- ◇ GPTW survey results indicated that teachers enjoyed working at ULHS and teacher retention would support this (keeping all but 1 teacher who has completed his TFA commitment and will pursue a different career path)
- ◇ Highest number of coaching observations and debriefs with teachers in the network

## STAAR TEST RESULTS

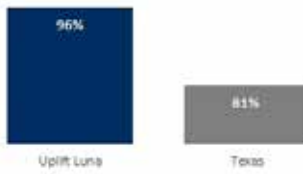

**STAAR Reading 3rd Grade**  
% of students achieving satisfactory level or higher

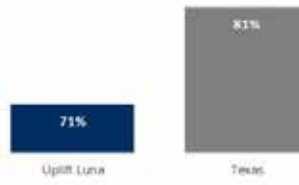

**STAAR Reading 8th Grade**  
% of students achieving satisfactory level or higher

**STAAR Algebra I EOC-Middle School**  
% of students achieving satisfactory level or higher

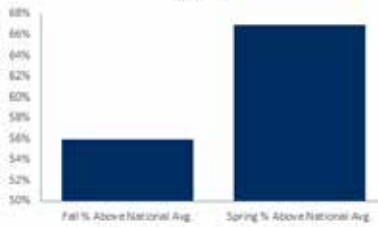

**STAAR Algebra I EOC-High School**  
% of students achieving satisfactory level or higher
