

Required Supply Lists for all 6th-8th Grade Scholars:

Supply list #1 (**Class Donation List**) will be collected by advisory teachers and used throughout the school year in all classes. The supplies in list #2 will be placed in the scholar's backpack and brought to school daily. Please bring all school supplies on Wednesday, August 7th. Scholars will be notified during the 1st week of school if individual teachers require additional supplies. If purchasing these supplies will pose a financial hardship on your family, we will do everything we can to make sure that every scholar has what they need.
