Infinity Middle School News

Back to School Edition

Welcome Back!

We are so excited that you've made the choice to trust us with your scholar's middle school education. We have updates regarding special events, tutoring hours and sports.

Free Dress Fridays

On 8-9-2019 scholars can participate in free dress Friday for 3.00 dollars. All the proceeds support our Athletics Department and Scholar Enrichment Activities

Coffee with Director Jackson 8-28-2019 @9am-10am in the library

Agenda:

1. Review 2018-2019 STAAR Data and Plan4Learning Goals
2. Discuss academic program and expectations for 2019-2020
3. Exchange feedback

Middle School Sports

Coach Price will be the new Athletic Director for the 2019 – 2020 academic year at Uplift Infinity. He has a background in athletics having coach a variety of sports including football, basketball, and soccer. Coach Price has been with Uplift Infinity for going on 5 years and has been committed to developing relationships with each of his scholars not only athletically, but academically as well. This year as the Athletic Director Coach Price has a goal to continue to develop his scholars by building a strong culture of leadership, sportsmanship, and confidence in the athletic program. He hopes that this year each of the parents are also committed to making the school year be successful for the scholars and work as a team with the Uplift Infinity teachers, coaches, and administration. He is confident that by working together, each scholar's needs can be met and that they will continue to develop in their academic journey.
